do we know what constitutes sociability do we know what makes a person
adaptable in whatever society he finds himself there are three phases to each
psychological problem the nature the cause and the means of cultivation or
elimination the problem of sociability can be analyzed in such manner what is the
nature of sociability what are the forces or factors that constitute the trait and
finally if it is capable of being developed how does it develop the main task of the
present study is to ascertain the relationship if there is any between sociability as
judged by teachers and fellow pupils on the one hand and the various factors

responsible for it separated or combined on the other
